

Er. Himanshu Dwivedi

FULL STACK WEB DEVELOPER • COMPUTER SCIENCE ENGINEERING (2024 - 2027)

Gonda, Uttar Pradesh, India | Email: himanshudwivedi0325@gmail.com | Portfolio: himanshudwivedi-portfolio
GitHub: github.com/himanshudwivedi0325-design | LinkedIn: linkedin.com/in/himanshu-webdev

PROFESSIONAL SUMMARY

Proactive Full Stack Web Developer and Computer Science Engineering student (expected graduation 2027) with proven hands-on expertise in developing scalable web systems, low-latency WebSocket communication architectures, and normalized MySQL databases. Creator of **HDTalk** (real-time chat & media platform) and founder of **PrepWithHD**. Skilled in translating complex requirements into robust, high-performance web applications with clean, production-ready code.

TECHNICAL SKILLS & CORE COMPETENCIES

Languages & Web:	PHP, JavaScript (ES6+), SQL, HTML5, CSS3, Modern Responsive UI Engineering
Real-Time & Networking:	WebSockets, WebRTC, Event-Driven Networking, Duplex Streaming, RESTful APIs
Databases & Architecture:	MySQL (Relational Schema Design, Complex Joins, Query Optimization, Indexing)
Frameworks & Design:	Bootstrap 5, CSS Grid/Flexbox, DOM Manipulation, Staggered Motion Animations
Tools, Hosting & DevOps:	Git, GitHub, VS Code, Linux CLI, Apache Server, Render Cloud, Cloudflare DNS/SSL
Key Competencies:	Bilingual Typing (English & Hindi 60+ WPM), SDLC, OOP, Code Refactoring, Problem Solving

FEATURED ENGINEERING PROJECTS

HDTalk — Real-Time Communication Platform hdtalk.onrender.com	Creator & Lead Developer 2026
- Engineered a production real-time communication platform utilizing WebSockets for instantaneous bi-directional messaging and media sharing. - Built lightweight event-driven socket connection handlers to maintain persistent low-latency sessions across concurrent clients. - Crafted an ultra-responsive dark-mode user interface with modular CSS and native JavaScript ensuring fluid cross-device execution.	
PrepWithHD — Centralized Engineering Academic Portal	Founder & Full Stack Developer 2026 - Present
- Architected an academic resource ecosystem with PHP, MySQL, and Bootstrap to deliver structured semester notes and syllabus roadmaps. - Implemented role-based administrative authentication, secure document upload mechanisms, and optimized relational query indexing. - Empowered polytechnic and diploma engineering students with high-speed access to curated semester curriculum modules.	
Bilingual Progress Typing Test Utility	Lead Developer 2026
- Engineered an interactive typing measurement tool supporting dual scripts (Hindi Kruti Dev / Mangal and standard English). - Built dynamic analytics engine computing real-time Words Per Minute (WPM), accuracy thresholds, and keystroke diagnostics.	
Er. Himanshu Dwivedi Official Portfolio Live Site	Personal Engineer Profile 2026
- Developed a zero-dependency portfolio incorporating comprehensive JSON-LD WebSite & Person Schema for Google Knowledge Graph SEO. - Implemented interactive micro-interactions, glowing cursor tracking, magnetic buttons, and responsive cross-viewport layouts.	

EDUCATION & ACADEMIC CREDENTIALS

Diploma in Computer Science Engineering (CSE) — Board of Technical Education Uttar Pradesh	2024 - 2027
Core Studies: Data Structures & Algorithms, Relational Database Management Systems (RDBMS), Operating Systems, Web Technologies.	
Advance Diploma in Computer Applications (ADCA) — 1-Year Professional Certification	2023 - 2024
Curriculum: Advanced office automation, database operations, visual programming fundamentals, and IT operations.	
Course on Computer Concepts (CCC) — NIELIT (Govt. of India)	2023
Certified in core digital literacy, networking concepts, computer fundamentals, and cyber hygiene.	

CERTIFICATIONS, STRENGTHS & LANGUAGES

- Certifications:** 1-Year ADCA Diploma • NIELIT CCC Certificate • Verified Bilingual Typist (English & Hindi 60+ WPM)
- Languages:** Hindi (Native Proficiency) • English (Professional Working Proficiency)
- Interests & Strengths:** Real-Time Systems, Full-Stack Architecture, Clean Code Practices, Problem Solving, Continuous Learning
